Gràdh Geal Mo Chridhe

Bright Love of My Heart

Chorus (repeat after each verse):

Bheir mi o hu o
Bheir mi o hu o hi
Bheir mi o hu o ho
'S mi fo bhròn, 's tu 'gam dhith.

Bheir mi o hu o
Bheir mi o hu o hi
Bheir mi o hu o ho
I am sad and needing you.

'S iomadh oichche fliuch 's fuar,
Ghabh mi cuairt, 's mi leam fhin,
Gus an d'ràinig mis'n t-àit'
Far robh gràdh geal mo chridhe.

Many a wet and cold night,
I traveled, all alone,
Until I reached the place
Where the bright love of my heart was.

Dheannain treabhadh dhut 's buan.
Chumainn suas thu gun díth.
Bheirinn as a ghreabhal chruaidh,
Do mo luaidh, teachd-an-tír.

I would plough and harvest for you.
I would keep you without want.
I would take from the hard gravel,
For my love, a livelihood.

Ged nach eil sinn fhathast pòsd,
Tha mi'n dòchas gum bithidh.
Fhad 's a mhaireas mo dha dhòrn,
Cha bhi lon oirnn a dhíth.

Although we are not yet married,
I hope that we will be.
As long as my two fists exist,
We will want for nothing.
